

BANNER COMBO

We realize that, not everyone can justify ordering full buckets of each of these materials.
To enable you to offer all the media choices, we have introduced our Combo Bucket.

This option includes:

25 sheets each of the 40lb. matte and gloss bonds, 15 sheets of the waterproof synthetic paper,
10 sheets of the waterproof self-adhesive vinyl and one full 500ft roll of the 20lb. bond

40lb.

Matte Bond

This 40lb Superior quality matte bond, designed specifically for the extra long print path of high speed digital color machines.

Our 40 lb. bond is bright white for strong visual contrast and is manufactured to control curl and static.
