Available through your Imaging Supplies and Technology Sales team at MtM 1 800-704-4647

Range

18,20,24# Bond
Films
Vellum
Colored Papers
Water Resistant

Xerographic Wide Format

Xerographic copiers provide architectural and engineering design professionals with the facility to make large format reproductions a snap. These machines provide high-speed copies up to 36" wide on a wide variety of media types to match every application.

We offer several paper and film stocks in roll format to support this popular business service requirement.

All reprographic rolls are wound on 3" internal diameter cores.

18 lb Bond A lighter weight bond paper which has been treated to provide translucency. Suitable for reproduction masters and overlay applications. **All rolls supplied on 3" cardboard cores**

Part No#	Description	Size	Order Unit
PPC9/TB18/24	18lb Translucent bond paper rolls	24" x 500'	2 rolls per carton total 1000 feet
PPC9/TB18/30	18lb Translucent bond paper rolls	30" x 500'	2 rolls per carton total 1000 feet
PPC9/TB18/36	18lb Translucent bond paper rolls	36" x 500'	2 rolls per carton total 1000 feet

20 lb Bond The most popular media for xerographic copiers, ours is a 20#, 92 bright, opaque bond for creating quick, inexpensive check plots or for distribution copies. **All rolls supplied on 3" cardboard cores**

Part No#	Description	Size	Order Unit
PPC9/20/11	20lb Check plot white xerographic bond paper rolls	11" x 500'	4 rolls per carton total 2000 feet
PPC9/20/15	20lb Check plot white xerographic bond paper rolls	15" x 500'	2 rolls per carton total 2000 feet
PPC9/20/17	20lb Check plot white xerographic bond paper rolls	17" x 500'	2 rolls per carton total 2000 feet
PPC9/20/18	20lb Check plot white xerographic bond paper rolls	18" x 500'	2 rolls per carton total 1000 feet
PPC9/20/22	20lb Check plot white xerographic bond paper rolls	22" x 500'	2 rolls per carton total 1000 feet
PPC9/20/24	20lb Check plot white xerographic bond paper rolls	24" x 500'	2 rolls per carton total 1000 feet
PPC9/20/30	20lb Check plot white xerographic bond paper rolls	30" x 500'	2 rolls per carton total 1000 feet
PPC9/20/34	20lb Check plot white xerographic bond paper rolls	34" x 500'	2 rolls per carton total 1000 feet
PPC9/20/36	20lb Check plot white xerographic bond paper rolls	36" x 500'	2 rolls per carton total 1000 feet

20 lb Bond Bulk Pallet For the larger users of xerographic substrates, we offer a mini-skid and full-skid package quantity to assist in limiting excess packaging and waste, as well as speed the process of loading new rolls. The mini-skids contain 24 rolls while the full skids contain 48 rolls of a specific product and width. Rolls arrive wrapped for protection on the pallet, rather than in individual or 2 roll cartons. The savings in packaging costs as well as labor and time are passed onto large consumers, making these pallets more economical than purchasing the rolls or cartons individually.

100% 20 lb Recycled Bond We recognize the many benefits of using recycled engineering bond paper. Although the cost is higher, the benefits range from conserving energy, reducing solid waste, decreasing pollution, improving the quality of waste water, reducing pressure on the forests and the environmental impacts of commercial forestry and improving health standards. **All rolls supplied on 3" cardboard cores**

Part No#	Description	Size	Order Unit
PPC9/20R/30	20lb White 100% Recycled xerographic bond	30" x 500'	2 rolls per carton total 1000 feet
PPC9/20R/36	20lb White 100% Recycled xerographic bond	36" x 500'	2 rolls per carton total 1000 feet

24 lb Bond A heavier 24# basis weight stock for the creation of more durable prints that may require additional handling. It is also more opaque providing a better contrast to the images. **All rolls supplied on 3" cardboard cores**

Part No#	Description	Size	Order Unit
PPC9/24/24	24lb Premium xerographic bond paper rolls	24" x 500'	1 roll per carton total 500 feet
PPC9/24/30	24lb Premium xerographic bond paper rolls	30" x 500'	1 roll per carton total 500 feet
PPC9/24/36	24lb Premium xerographic bond paper rolls	36" x 500'	1 roll per carton total 500 feet

Xerographic Wide Format

All Weather Paper "Rite in the Rain" patented wide-format xerographic paper for your plans and specs.

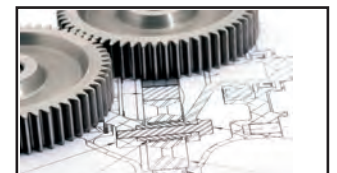

No more need for laminating your important documents to use on-site. "Rite in the Rain" all-weather wide-format paper is your tool for more job productivity. The light blue tint reduces glare and indicates that this paper can go outside. Recyclable as plain paper.

Available in 24# rolls, 3" core. Not for ink-jet printers. Also see page 10 for sheets.

Part No#	Description	Size	Order Unit
PPC9/RIR/24	24lb Durable Paper	24" x 500'	1 roll per carton total 500 feet
PPC9/RIR/30	24lb Durable Paper	30" x 500'	1 roll per carton total 500 feet
PPC9/RIR/36	24lb Durable Paper	36" x 500'	1 roll per carton total 500 feet

Translucent Matte Film This frosted material is a very high quality, dimensionally stable, matte film. The film has been formulated on specially structured and processed anti-static polyester to give smooth reliable feeding. The film is almost impossible to tear and the two-side coated surface can be written on in ink or pencil. In addition to xerographic copying, this film is ideal for architectural drawings, color separations, registration guides and various silk screen applications. **All rolls supplied on 3" cardboard cores**

Part No#	Description	Size	Order Unit
PPC9/4DM/24	4 mil translucent matte film two side coated	24" x 150'	1 roll per carton total 150 feet
PPC9/4DM/30	4 mil translucent matte film two side coated	30" x 150'	1 roll per carton total 150 feet
PPC9/4DM/36	4 mil translucent matte film two side coated	36" x 150'	1 roll per carton total 150 feet

Clear & White Polyester Film These films have been formulated on specially structured and processed anti-static polyester to give smooth reliable feeding. Polyester is durable, waterproof and has a wipe clean surface. No more need for laminating your important documents to use on-site. In addition to xerographic copying, these films are ideal for architectural drawings, color separations, registration guides and various silk screen applications.

Part No#	Description	Size	Order Unit
PPC9/4CL/24	4 mil crystal clear film two side coated	24" x 150'	1 roll per carton total 150 feet
PPC9/4CL/36	4 mil crystal clear film two side coated	36" x 150'	1 roll per carton total 150 feet
PPC9/4WH/24	4 mil opaque white film two side coated	24" x 150'	1 roll per carton total 150 feet
PPC9/4WH/36	4 mil opaque white film two side coated	36" x 150'	1 roll per carton total 150 feet

Vellum A cotton based material, which offers users both increased translucency and durability. Our standard is a 20# basis weight, non-erasable and anti-yellowing. **All rolls supplied on 3" cardboard cores**

Part No#	Description	Size	Order Unit
PPC9/VEL20/24	20lb Xerographic grade 100% translucent vellum	24" x 500'	1 roll per carton total 500 feet
PPC9/VEL20/30	20lb Xerographic grade 100% translucent vellum	30" x 500'	1 roll per carton total 500 feet
PPC9/VEL20/36	20lb Xerographic grade 100% translucent vellum	36" x 500'	1 roll per carton total 500 feet

Colored Paper The same as our most popular media for xerographic copiers but in 4 pastel colors. This is a 20# tinted opaque bond for creating color coded check plots or for colored distribution copies.

**Blue: BL **Green: GR **Yellow: YL **Pink: PK

Part No#	Description	Size	Order Unit
PPC9/20/24-**	20lb Colored xerographic bond paper rolls	24" x 500'	2 rolls per carton total 1000 feet
PPC9/20/30-**	20lb Colored xerographic bond paper rolls	30" x 500'	2 rolls per carton total 1000 feet
PPC9/20/36-**	20lb Colored xerographic bond paper rolls	36" x 500'	2 rolls per carton total 1000 feet

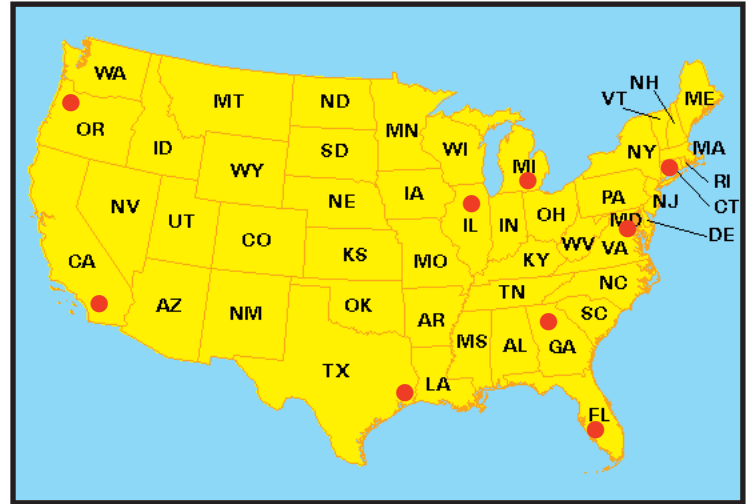

** Replace asterisks with the color of roll required

Marketing & Technical Materials, Inc.

We Deliver!

To minimize freight cost and speed delivery times these materials are shipped from 9 convenient locations in major population areas throughout the United States.

About MtM

MtM is a leading provider of value-added business printing solutions with thousands of customers worldwide. As one of the largest distributors of laser, Inkjet, solvent and digital media including.

- **Color Laser Copier Papers and Card** Wide range from 24lb to 14 pt in all popular sizes.
- **High Gloss C1S and C2S Papers and Card** Replacement material for KromeKote discontinued by Mohawk.
- **Ink Jet Roll Materials** Most comprehensive range from 17" to 60" wide rolls.
- **Synthetic Papers** Available in 6 thicknesses in 9 sheet sizes, rolls and die cut sheets custom sheets available.
- **Xerox Brand Supplies** Full range of Xerox brand media available from 5 locations for quick delivery.
- **Petallics** The worlds finest metallic and pearlescent papers.
- **Lamination / Mounting** Hot and cold lamination materials. Rolls from 12" to 61".
- **Die-Cut Papers** The most comprehensive range of die cut paper products available.
- **Binding Supplies** Covers, combs, Coil, wire, fastback and Velobind all available from stock.
- **Copier Labels** Hundreds of sizes in standard grade high gloss and digital matte. Custom sizes available.
- **Self Adhesive Materials** Wide range of films, papers, vinyls in rolls and sheets.
- **Xerographic Rolls** Wide range of printer rolls shipped from 13 US location for speed and efficiency.
- **Heat Transfer Materials** Range includes papers from leading manufacturers.
